

How to Bid / Buy Art in the NDK Art Show

Bidding in the Art Show is a lot like bidding on E-bay. Here's a few tips:

1. Find a piece of artwork you would like to buy. There's lots of cool stuff! Feel free to bid on multiple items.
2. Obtain a permanent writing instrument. Bids written in pencil, blood, spit, or other non-permanent materials are not accepted. Yes, even if you really, really want it.
3. Find the art work's bid sheet next to the art work. It looks like this: ➡

- ✔ **Write your minimum bid directly on the bid sheet.** Minimum bid must be at least the artist's Minimum Bid Price. **Whole dollar amounts only!**

- II. You have the highest bid (1 – 2 bids, only*) on the sheet when bidding ends on Sunday (check schedule for time and location).
- III. You win the piece during the Live Auction (check schedule for time and location).

★ If a piece receives **3 bids** or is **marked with a red "A"** it automatically goes to the **Live Auction**. Be there to join the excitement and defend your bid!
